PROFESSIONAL EXPERIENCE

Website Developer | Brand & Graphic Designer | AI Automation Specialist

Maximus Trailers, Fusion Treats & Meridius Solutions | Project-based | Dec 2025 – Aug 2026

UK-based food truck, food franchising, and food business consulting companies

- Engaged by the founder of three UK-based businesses to deliver website development, brand design, marketing collateral, and CRM automation solutions.
- Developed the Meridius Solutions website and created its logo and branded marketing materials for a franchise exhibition in London.
- Designed business cards, banners, brochures, and flyers to support food business branding, franchise promotions, and marketing campaigns.
- Configured GoHighLevel lead-capture and automated follow-up workflows to support customer inquiry management.
- Delivered website, design, and automation projects during a UK engagement that included on-site work in Nottingham.

Project website: meridiussolutions.com

Operations Manager | AI Automation Specialist

Outsource My Life | US company | Feb 2021 – Mar 2025

- Administered GoHighLevel and Podio CRM infrastructure for a 15-agent team, supporting contact management, pipeline tracking, and automated follow-up.
- Built automated lead-capture and multi-channel follow-up workflows across email, SMS, calls, and messaging for real estate lead generation.
- Configured GoHighLevel calendars, forms, funnels, and workflows to support lead management and customer onboarding.
- Managed ClickUp task boards and coordinated team onboarding, contracts, and training schedules.
- Oversaw payroll, invoicing, operational data monitoring, transaction deadlines, and document submissions.
- Coordinated client status updates, agent meetings, and action items.

Social Media Manager | Website Builder

Hearthstone Realty – Keller Williams | US company | Jan 2021 – Dec 2022

- Developed and maintained the company website, including property listings, branding, and lead-capture forms.
- Managed Facebook, Instagram, and LinkedIn content, producing branded visual assets for real estate marketing and property promotions.
- Coordinated digital marketing campaigns across social and web channels to support engagement and inbound inquiries.

Social Media Manager | GoHighLevel Funnel Builder

Pinnacle Housing Solutions | US company | Nov 2020 – Nov 2021

- Built GoHighLevel funnels and automated lead-capture workflows to convert web-form and Facebook inquiries into managed buyer records.
- Maintained contact and transaction data across Podio and other CRM systems.
- Managed social media content and designed branded marketing materials.
- Supported outbound calling and messaging campaigns using Mojo Dialer, Batch Dialer, and Lead Sherpa.
- Coordinated buyer communications, appointments, transaction documentation, and follow-up activities.

Quality Analyst

VXI Global Holdings | Manila, Philippines | Dec 2011 – Feb 2018

- Analyzed quality and performance trends, investigated process issues, and recommended corrective actions.
- Provided feedback to product teams to support improvements in user experience.
